

File Note:

STAT

has a list  
entitled Key Judgements & Summary.  
However, they have split &  
Vol I now is "The Summary". He  
may go with what he has or  
we may need another list  
specifically for Vol 1. If this is  
the case the attached lists can  
be used

BUT

the add on notations must be  
written in.

A large, stylized handwritten signature in black ink.  
This is confusing but this entire  
project is a mass of confusion
